This catalogue consists of handmade mazri products, like basket (Changair) Bread Pot (Pachi) Hand fans, table mats, jewelry boxes, Dust Bin, tray, Pen holder, Fruit Basket, decoration pieces and file cover etc. Mazri is the local name for dwarf palm (Nannorhops Ritchie Ana). About 65,000 people are involved in processing of Mazri leaves- 78% of them are women, in Pakistan. Average annual production of raw Mazri leaves in Pakistan is 37,315 tones. It is self grooming, slow growing extremely flexible and shrub like plant, it is found in various districts of Khyber Pakhtunkhwa (KP). KK while implementing its Health and Educational programme in District Karak, found out that women of the area were engaged in making handmade mazri products. KK felt that these women needed support in all the spheres of production of mazri products, therefore it intervened in the said sector. KK is expending its outreach and soon it would be collecting and marketing, Mazri products from all over KP.
